

FRIENDS OF ROCKVILLE PUBLIC LIBRARY

Membership Drive 2020-2021

As you are well aware, the pandemic has impacted us in many unexpected ways. The library has only recently reopened on a limited basis and we are all anxious to be back in a more normal situation. It might be a while yet.

The needs of the library continue despite partial closures. The Friends of the Rockville Public Library want to remain sensitive to these needs with our continuing support. In this light, we are conducting our annual membership drive now and hope you will understand the timing.

This year of 2020 has been a challenge and an exercise in adaptability. As we look to 2021 and a return to more normalcy, we hope you will join us in the support of one of our community jewels.

We are a non-profit entity. Our funds remain separate from the library's, and are entirely under our control. Checks are payable to FRPL.
